NOW WE JUST NEED TO KNOW WHAT KIND OF HELP YOU WOULD LIKE:

	Before we ask you detailed questions about your condition, please tell us what would you like to achieve from this consultation?	The patient said <i>"I will like treatment for my rash"</i>
	Is there any particular treatment you would like to request?	Don't know
	Would you like help from a particular GP? If the doctor that you requested is not available, another doctor at the practice will contact you	No

WE'LL NOW ASK YOU SOME QUESTIONS ABOUT YOUR SYMPTOMS:

	Do you have a high fever AND any of the following: a stiff neck / a rash that won't fade when you press it, or that looks like tiny bruises / it hurts to look at bright lights?	No
	During the last 24 hours have you had a high temperature (over 38° C) or episodes of cold sweats with uncontrollable shaking?	No
	Is the affected area hot, red and painful?	No

If possible then please upload picture(s) of the rash. It is helpful if you can send (1) a 'whole body' photo showing the extent of the rash and (2) a 'close up' photo placing a ruler or a coin on the skin next to the rash. If you upload several photos from different sites then please indicate where each photo is taken.

The patient said "I have a rash like this on both lower legs"

	<p>Please describe the rash. Give any details that aren't shown in the photo(s)</p>	<p>The patient said <i>"I have a rash across both lower legs. Smallish bumpy rash that is very itchy"</i></p>
	<p>Is the surface of your rash (tick all that apply) ...</p>	<p>'Bumpy' or raised up from the surrounding skin</p>
	<p>Is the rash painful?</p>	<p>Yes</p>
	<p>On a scale of 1-10 (1 being mild pain and 10 being the most severe pain), how would you rate your pain?</p>	<p>3</p>
	<p>When did the rash start?</p>	<p>Less than 1 day</p>
	<p>Were you in good (your usual) health before the rash started?</p>	<p>Yes</p>
	<p>Have you been in contact with anyone else who has the same rash?</p>	<p>No</p>
	<p>If the rash is in several locations then please tell us where it first appeared and then where it moved on to.</p>	<p>The patient said <i>"It is on both legs, but has not moved."</i></p>
	<p>Since the rash started has it been there constantly or does it come and go?</p>	<p>It's been there constantly</p>
	<p>Is there a particular pattern or perhaps trigger that you have noticed?</p>	<p>No</p>
	<p>Do you find the rash itchy?</p>	<p>Yes, it itches most of the time</p>
	<p>Is there anything that you've noticed makes the rash better?</p>	<p>Not sure</p>
	<p>Have you had the same rash in the past?</p>	<p>No</p>
	<p>Apart from the rash, have you been feeling unwell?</p>	<p>No</p>
	<p>Have you been feeling very tired, fatigued or weak?</p>	<p>No</p>
	<p>Have you been feeling nauseous or vomited?</p>	<p>No</p>

Are you still able to keep some fluid down when you drink and pass urine at least twice per day?	Yes
 Is there anything else you think we should know?	Yes The patient said <i>"This rash started after I had been walking in the woods over the weekend"</i>

JUST A FEW LAST QUESTIONS ABOUT YOUR GENERAL HEALTH:

Do you have any other medical conditions? For example: gastric ulcer, asthma, heart disease, liver disease, deep vein thrombosis (DVT)	No
Are you taking any prescribed drugs not related to this condition?	No
Are you taking any other drugs? For example: over-the-counter medication from your pharmacist	No
Are you receiving any other treatment, like physio?	No
Do you have any family history of illness? For example: heart disease, cancer	No
Do you know how many units of alcohol you drink each week? (1 pint of beer is approximately two units and one small glass of wine is 1 unit)	8-14 units per week
Do you smoke?	No, I've never smoked
Are you allergic to any drugs or creams?	No
Are you pregnant or have given birth in the last 12 weeks?	No
Are you breast feeding?	No

FRANCES'S ANSWERS ABOUT THEIR CONDITION END HERE. NEXT STEPS:

You can offer this patient a **prescription** and ask reception to inform the patient

You may signpost to an **alternate service** via reception (e.g. pharmacy)

You may wish to **telephone the patient** to close the consultation

You may ask reception to **book an appointment** with GP or nurse
